

16 May 2022

Dear parents and carers,

The Y NSW is pleased to announce we will be providing Outside School Hours Care (OSHC) at **Carlingford West Public School** from **Monday 30 May, 2022**.

We are excited to be providing an important service to the Carlingford West school community and are working hard to ensure a positive experience for your family from day one!

About Us

The Y NSW is a for-purpose organisation focused on healthy living, social impact and empowering young people. We are accredited by the Australian Childhood Foundation as a child-safe organisation and have maintained this accreditation year-on-year since 2017.

At the Y NSW, the safety and wellbeing of children, young people and vulnerable adults is our highest priority. We are a benchmark organisation for best-practice processes to keep children and young people safe.

Our OSHC services for Before School, After School and Vacation Care are delivered across 55 locations in NSW. We have been creating positive change and supporting communities for more than 165 years and currently employ more than 1800 staff across NSW and the ACT.

Before School and After School Care

At the Y NSW, we recognise the benefits of high-quality care and the difference it can make in a family's life. We value and respect parents as our partners in the care and education of their children.

The Y Carlingford West OSHC service will be a place where children can be, belong and become. Our experienced educators design and deliver high-quality programs based on the nationally-approved learning framework [My Time, Our Place](#).

Our child-focused Before and After School Care program promotes healthy eating through cooking activities and nutritious meals. Our programs are focused on children having fun, learning new skills, making new friends and having new experiences.

Operating in a COVID-safe way

Throughout the COVID-19 pandemic, the Y NSW OSHC services have remained open, providing essential care to all families with permanent bookings and flexibility to offer casual care.

We have implemented COVID-safe policies at all our sites, particularly around cleaning and hygiene practices. We have also developed a range of guidelines for engaging with families and children both face-to-face and online.

We believe in the power of
inspired young people
