I am aware that should my child attend an extracurricular activity in the morning, a staff member will take my child to the activity but will **not** pick them up after the activity unless my child's activity finishes before 8:45am.

In the afternoon, my child will make their **own** way to the extra curricular activity and an OOSH staff member will check that they are there at approx. 3:45pm and pick them up when the activity is scheduled to finish, to return my child to the O.O.S.H. Centre.

I accept full responsibility for my child during the time they are absent from the Centre and understand that Carlingford West O.O.S.H. Centre and it's staff are not responsible for my child whilst my child is away from the O.O.S.H. Centre at these listed activities.
